Re: Grant No. 2858

Dear Ms. Wilson:

The Scientific Director and CTR's staff have discussed your request for partial support of the ASCB Research Conference on "*The Cell Cycle*" to be held at Airlie House, VA March 24-28, 1990, and organized by Tim Hunt *et al.*

The program contains many topics of interest to The Council, and the list of speakers ensures that the quality of the meeting will be high. I therefore am pleased to tell you that we will make a contribution of \$500.00 to help defray the costs involved. A check for that amount is enclosed with this letter. It would assist in our record-keeping if we could have a short written acknowledgement of the contribution.

We request only that these funds not be used to reimburse expenses incurred by participants from the industrial sector.

Sincerely,

Harmon C. McAllister
